

BREATH OF LIFE AWARDS GALA

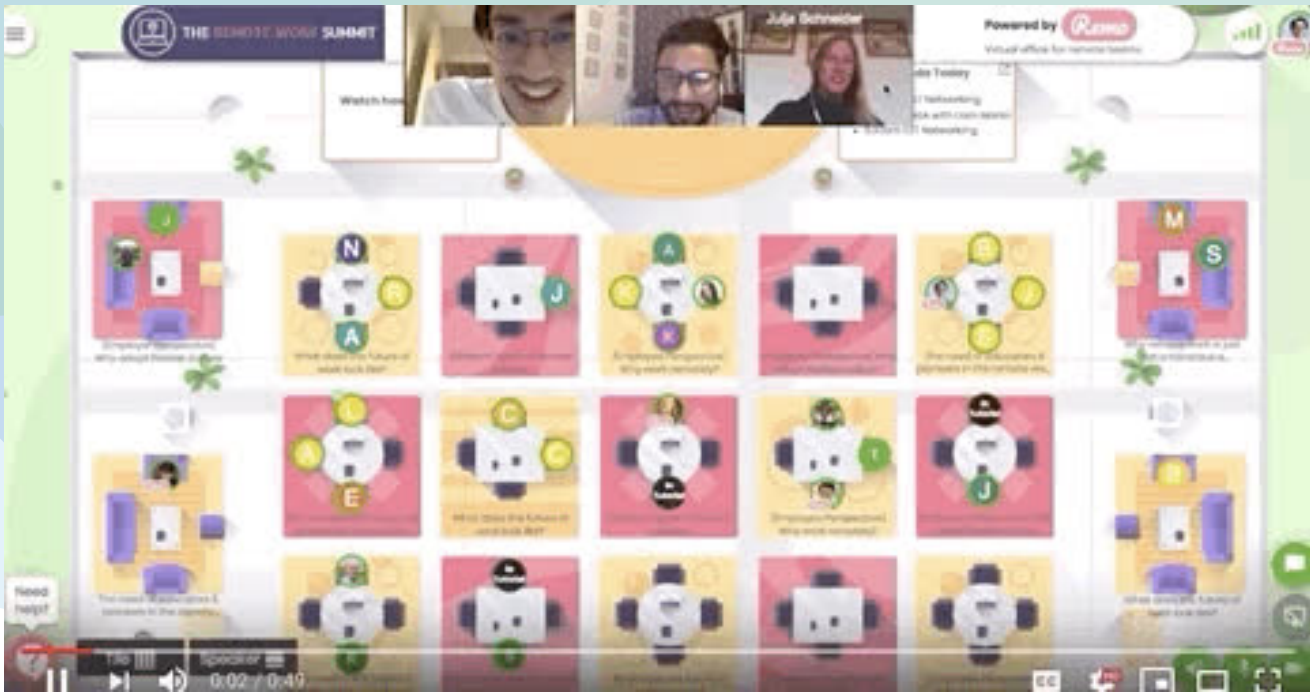

Recognize | Honor | Celebrate
Thursday, September 24, 2020
6:00PM - 7:45PM

**SNEAK PEEK AT WHAT
TO EXPECT AT THE
VIRTUAL GALA!**

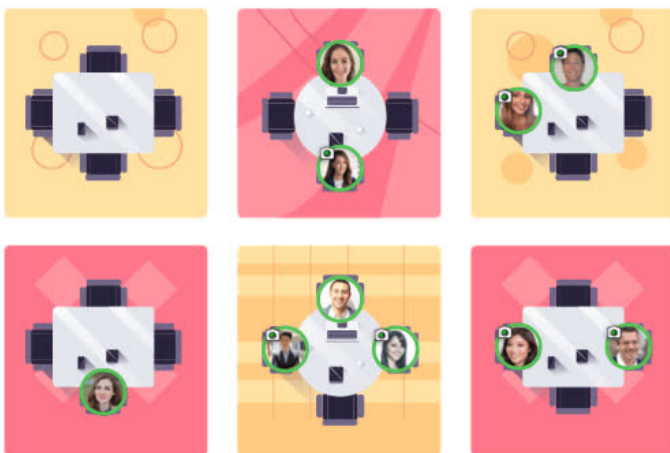

The Breath of Life Awards Gala has gone virtual!

Enjoy a night of celebration and social networking on REMO!

To create an engaging gala experience, we're excited to host this year's Breath of Life Awards on [REMO](#), an interactive virtual platform for live events! Our guests will be transported to a virtual event hall with a main stage, sponsorship tables, multiple floors and the opportunity to have virtual face-to-face conversations with like-minded professionals for an engaging networking experience.

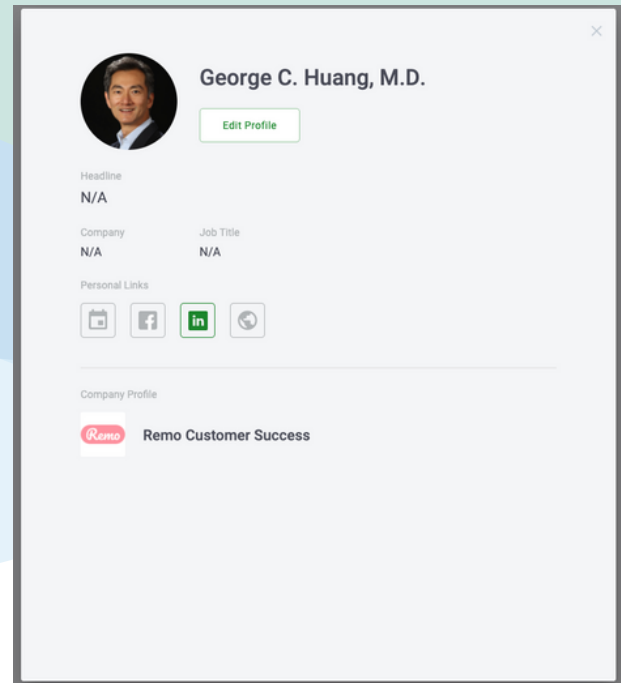

No downloading or apps required!
Just an easy log-in process through your internet browser - Chrome preferred.

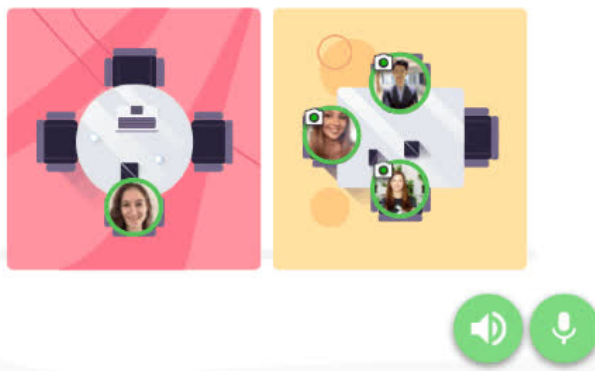

Take a seat at your virtual table and connect via high-definition audio and video to speak with colleagues or visit other tables to meet new friends by simply double clicking the map!

Creating New Connections in a Virtual World

Create your virtual business card, share your calendar, and send private messages or group chats to connect with guests!

Clicking on an attendee's profile icon reveals a virtual business card with their name and company. The virtual business card can also be synced with your LinkedIn profile and give you the option to link to your own calendar scheduling software (eg. Calendly) to reconnect with guests after the gala.

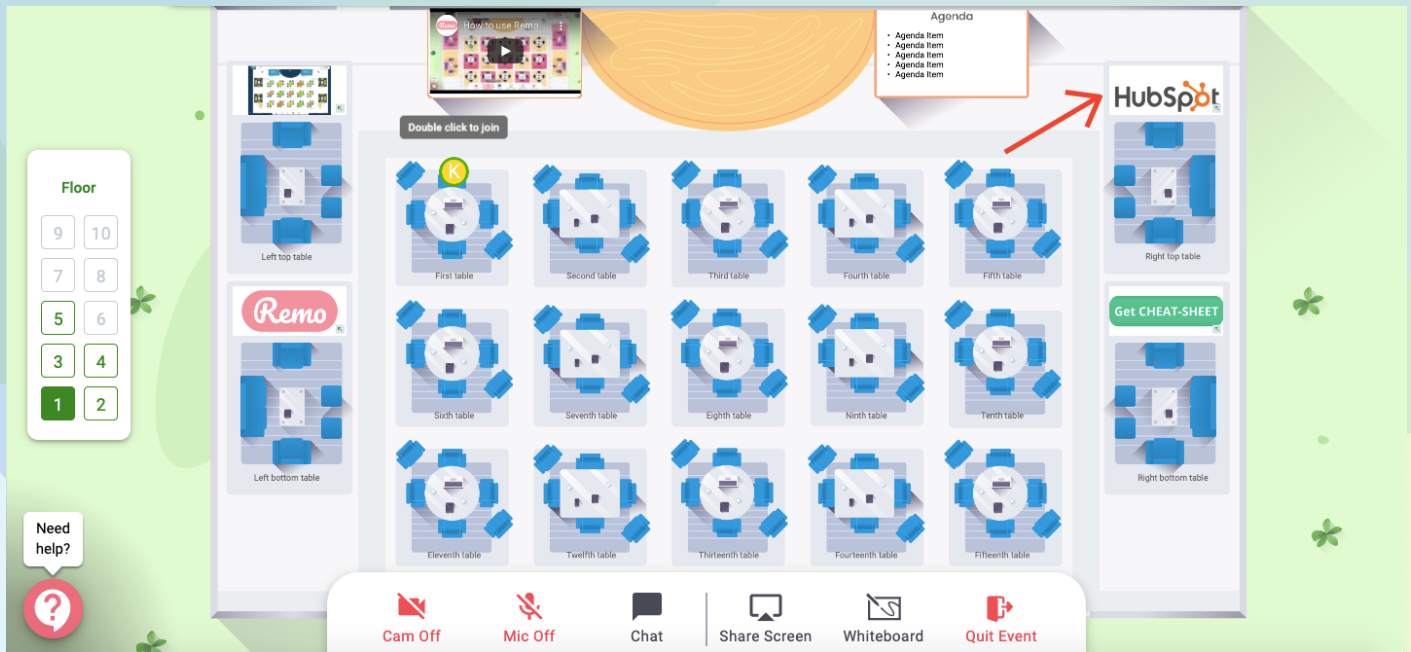

Video and audio conferencing are encouraged during the event. Group and private messaging are additional options to connect.

There are 3 types of chat services provided:

1. Group chat with all attendees
2. Chat with your 6-person table
3. 1:1 chat with one person at a time

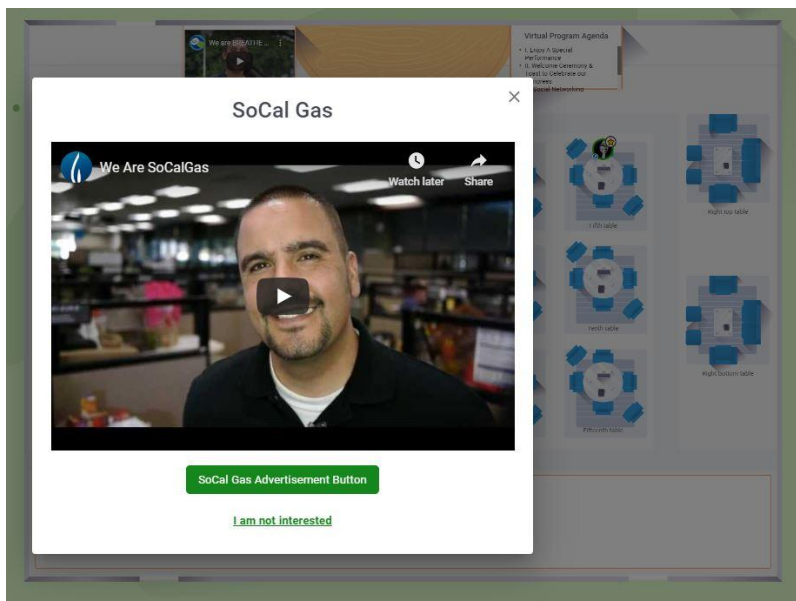

Showcasing Corporate Partners on an Innovative Platform

New virtual opportunities for networking and brand visibility

Top tier sponsors (Platinum / Gold / Silver / Bronze) will each have their own branded lounge tables in the left and right wings to offer an engaging social networking experience to attendees. These tables offer clickable banners where guests can click on the company's logo to reveal an embedded video or image to tell you more about their ongoing initiatives.

You can find Friends and Supporter sponsor logos on the tables in the main section of the floor, with tables labeled by their company name (these tables do not offer advertisement videos or a call to action button).

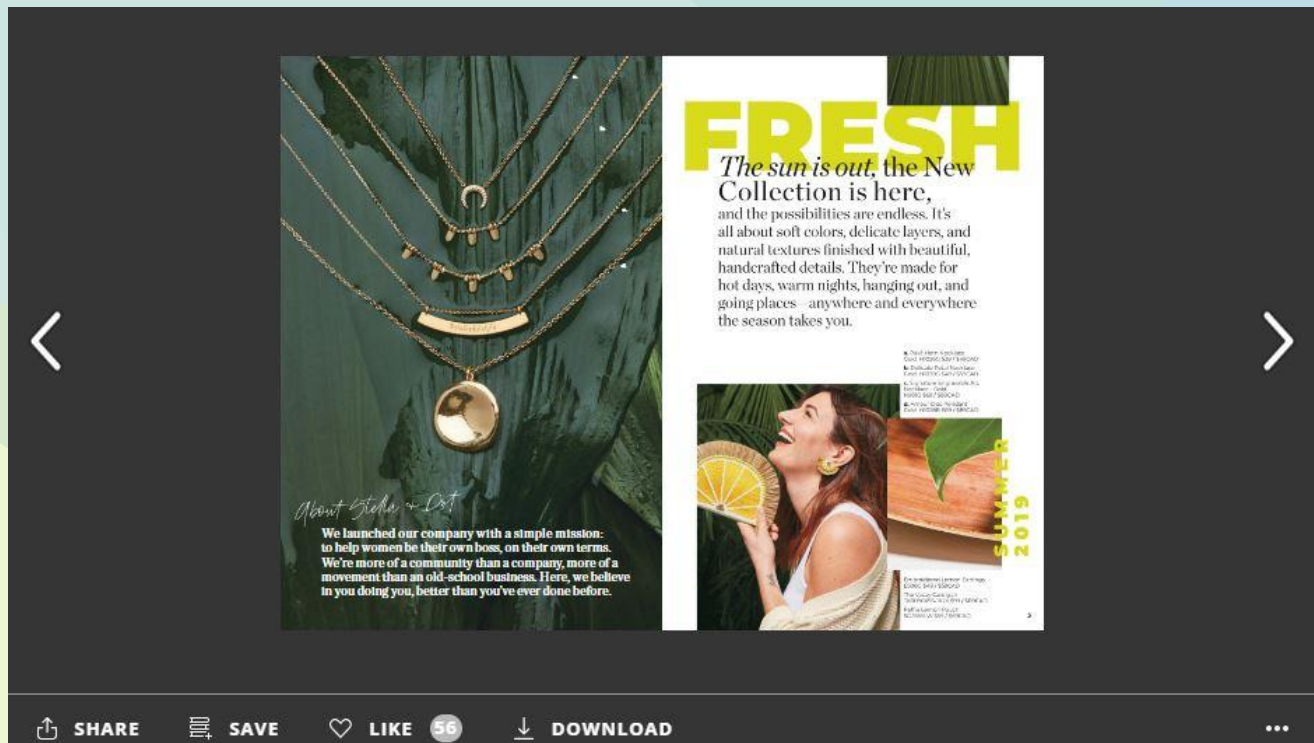

All our sponsors will have at least one member of their team seated at their respective tables throughout the event.

Use the Networking Reception to chat with them about company initiatives, ask questions, and make new industry connections.

For questions, visit our "Help Lounge" and our staff can help answer any questions.

Breath of Life Awards Gala Digital Program Flipbook

All of our corporate partners will be featured in our Digital Program Flipbook with the opportunity to highlight your company. The Flipbook will be promoted on our website and linked through REMO throughout the evening for guests to learn more!

For opportunities to upgrade your sponsorship to include a larger advertisement or program feature in our Digital Program Flipbook, please connect with our staff.

For questions please connect with our Development Department, at gala@breathela.org or call (323) 935-8050 ext. 230.

Thank You To Our Partners!
