

BREATHE
SOUTHERN CALIFORNIA

STEVEN L. BRYSON, ESQ.

BOARD MEMBER SINCE 2008

Steven L. Bryson has been a member of the Board of Directors of Breathe Southern California since 2008. He has served as Chairman of the Board from 2016 to 2017 and again from 2017 to 2018. He has served on and chaired numerous committees during his time on the Board.

Mr. Bryson has been working as an attorney at law in private practice in West Los Angeles since 1979, graduating from UCLA with an undergraduate degree in psychology in 1975, and from Southwestern University School of Law in 1978.

His interest in the goals and programs of this respected organization stem from his personal experiences with his father, who struggled with asthma throughout his life and ultimately succumbed to this disease. Breathe Southern California provides individuals and local communities with a multi-prong approach in dealing with lung health, and to this end there is no better organization to fill this need.
